

Corporate Trust Services

In an ever-changing marketplace attracting increasing judicial and investor scrutiny, we deliver consistent, knowledgeable corporate trust counsel aligned to your business needs. We partner with you to devise and implement practical trust administration strategies, address trust defaults, resolve issues and disputes, and manage complex problems. With dedicated corporate trust attorneys, we provide seamless support on transactions and other issues across international jurisdictions.

The Faegre Drinker Difference

We unite interdisciplinary knowledge — including practitioners in defaults/restructuring, litigation and finance — to serve corporate trust clients across industries.

Our clients' business is always our top priority, and we work to create and execute value-driven strategies.

We represent clients on transactional and litigation matters, from bond defaults and workouts to complex structured-products litigation.

We have significant experience managing the delivery of multijurisdictional advice.

Comprised of **practical problem solvers** who understand corporate trust and structured products, our corporate trust team has represented some of the **largest financial institutions**.
