

# INSURANCE REGULATORY & PUBLIC POLICY SERVICES

## LEGISLATIVE & PUBLIC POLICY

- 30+ years supporting public policy goals of financial services clients on/off Capitol Hill
- Broad, bipartisan experience, including in-house federal affairs, on the Hill and in the executive branch
- Trusted working relationships with key financial services committees and staff
- Knowledge of industry, laws and politics dictating insurance issues
- Advocacy development, crisis management and issue communication experience
- Grass roots and coalition building, including executing on strategies

## REGULATORY AFFAIRS

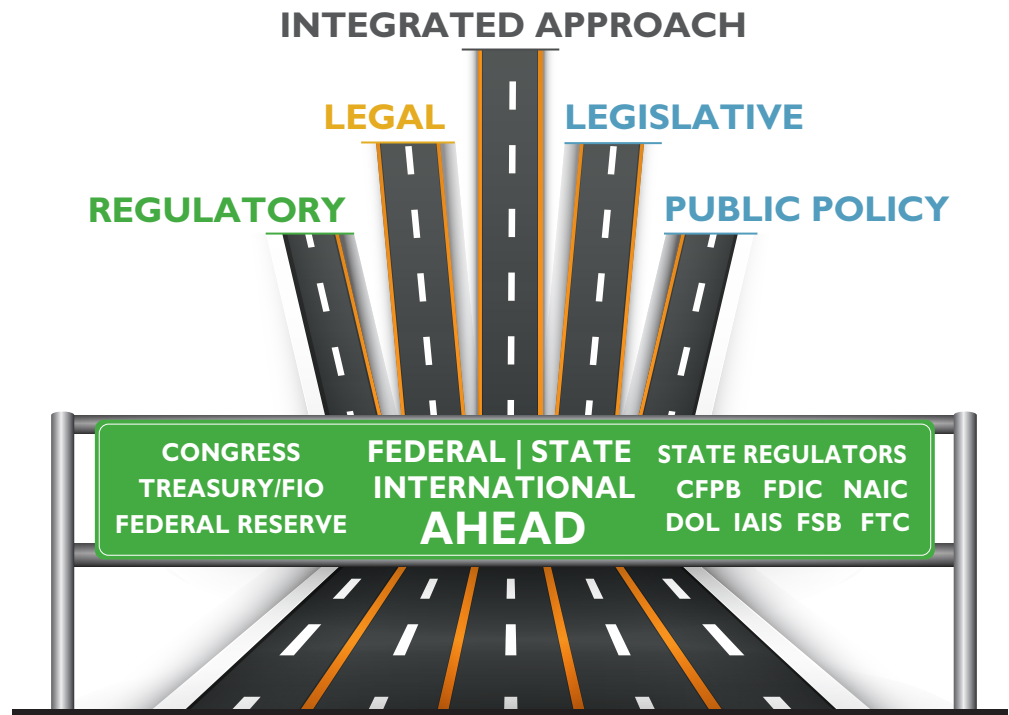

- Work before — and with — federal agencies and state counterparts
- Regulatory response, strategy and advocacy
- International standard setting – strategy and advocacy
- Practical experience as former:
  - Insurance regulators
  - CMS regulatory leadership
  - In-house regulatory and legal counsel

## LEGAL

- Legal advocates on regulatory matters
- Expertise in Dodd-Frank and the Affordable Care Act
- Full service insurance legal team
  - Administrative agency advocacy
  - Transactions
  - Litigation

The insurance industry is experiencing change from multiple directions — and the stakes and complexity continue to grow. FaegreBD professionals provide seamless and integrated regulatory, legal, legislative and public policy counsel — across federal, state and international jurisdictions — to help you navigate the changing landscape, seize opportunities and mitigate threats.

# REPRESENTATIVE EXPERIENCE

## INSURANCE REGULATORY & PUBLIC POLICY

### THOUGHT LEADERSHIP ON INSURANCE POLICY

- Our professionals have served: in Congress; as legislative directors or staff members of current U.S. senators; as counsel to the U.S. Committee on Intelligence; as a staff member of the House Financial Services Committee; as assistant director of the CFPB; as senior leader at CMS; and as a state insurance regulator.
- Our professionals lead and participate in The Exchequer Club of Washington, an organization of financial services policy professionals.
- We present the annual NFI Insurance Public Policy Summit in D.C. with Networks Financial Institute/Indiana State University.
- We present at national conferences, including ACLI, CEFLI, IAIS, NCIGF, NOLHGA and PCI.

*Our professionals have significant career experience with federal and state challenges. We are:*

#### LOBBYISTS

**ENGAGE** in direct lobbying with Congress, federal regulatory agencies and international standard-setting bodies, and in trade and industry association alignment for a leading retirement services company, a leading specialty insurer, annuity writers and property and casualty insurers.

**ADVOCATE** on behalf of a professional surplus lines and wholesale insurance distribution trade association regarding NARAB, NFIP, TRIA, NRRRA and private flood insurance legislation, including the opportunity to testify before the House Financial Services Committee.

**PRESERVED** state resolution authority during the drafting of Dodd-Frank and guided federal agency implementation of Dodd-Frank consistent with the goals of three insurance industry clients.

#### REGULATORY COUNSEL & AGENCY ADVISORS

**REPRESENT** insurance industry clients before Treasury, the Federal Reserve and other agencies.

**ADVISE** a global financial services company on federal and state regulatory challenges and counsel on Dodd-Frank implementation, the Holding Company Act and emerging state issues.

**ADVISED** a large bank holding company on Dodd-Frank resolution planning and a strategy to present to federal regulators.

**REPRESENTED** a professional trade association's interest on the federal agency level in the TRIA rulemaking process, helping to shape TRIA data calls.

#### PUBLIC POLICY STRATEGISTS

**ENGAGE** in direct lobbying with Congress, federal regulatory agencies and international standard-setting bodies, and in trade and industry association alignment for a leading retirement services company, a leading specialty insurer, annuity writers and property and casualty insurers.

**ADVOCATE** on behalf of a professional surplus lines and wholesale insurance distribution trade association regarding NARAB, NFIP, TRIA, NRRRA and private flood insurance legislation, including the opportunity to testify before the House Financial Services Committee.

**PRESERVED** state resolution authority during the drafting of Dodd-Frank and guided federal agency implementation of Dodd-Frank consistent with the goals of three insurance industry clients.
