

Outdoor Industry Services

Your Legal Compass From Trailhead to Summit

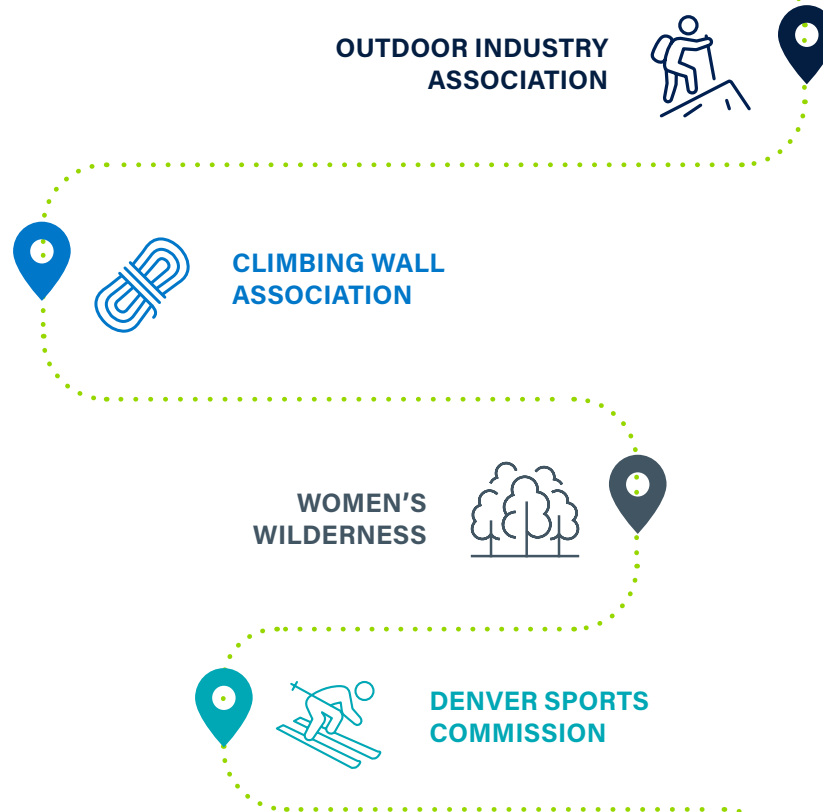

As an outdoor sports and recreation company, you deliver the products, services and experiences that attract more than \$800 billion in annual U.S. consumer spending — and enable hundreds of millions of people to enjoy the great outdoors. Composed of attorneys who are passionate consumers of your products and who live and work in the epicenter of the outdoor economy, our multidisciplinary team is dedicated to helping you reach new heights.

We Know the Territory

	Recreational equipment manufacturers
	Outdoor clothing manufacturers
	Outdoor industry & recreational associations
	Manufacturers of organic foods & products
	Ski equipment manufacturers & retailers
	Climbing wall equipment manufacturers
	Off-road vehicle and snowmobile manufacturers
	Water sports companies
	Footwear manufacturers
	Hunting equipment companies
	Conservation organizations
	Fitness and wellness centers

Our Industry Connections

Our Commitment

Our lawyers are climbers, cyclists, skiers, mountaineers, marathoners and ultramarathoners, and more. We're passionate about the products and experiences your company provides — and we're invested in your success.
